The Power of Natural Healing Monday at 11 AM Pacific May 14th 2018: Why are we so depressed? How to beat it.

It is a very sad statistic that today, over 10% of all Americans have suffered at least one bout of severe depression, often clinical depression. Lest you think that sadness is the only effect, and that it is not all that dangerous, remember that antidepressants and antipsychotics are some of the most dangerous pharmaceuticals that there are. Virtually all, if not all school mass shootings are perpetrated by people who are being treated with one or more of these drugs, and the shooter often ends up dead, or in prison for the rest of his life. These drugs have expectable side effects of viole
