August 08th 2018: 'Hope,' A new kind of cancer advice column

Do you remember Dear Abby or Ask Ann? Maybe you've heard of the "radically empathetic" advice column in the NYTimes called "The Sweet Spot," which is excerpted from the Dear Sugar podcast hosted by Steve Almond and Cheryl Strayed. We talk with the writer behind Hope to find out what led her to share mindful advice to support those living with or after cancer.
