We can't wait to hear about the award winning beverage Red Espresso, South Africa's much loved red cappuccino. As the world's first red rooibos tea espresso, it is caffeine free and loaded with antioxidants. Monique and Pete Ethelston, Co-founders of Red Espresso, are joining us from South Africa to share how they started Red Espresso, what it's like living in South Africa, how they team up with red rooibos farmers and practice fair trade. They have been giving back to the community in so many ways while creating a healthy fancy cool espresso beverage.
