September 10th 2018: The Mentally Healthy Workplace

Does your workplace support your mental health? Knowing the connection between optimal health and organizational performance, forward-thinking business leaders are doing all that they can to move the dial on this question toward “yes.” What exactly are they doing? Join me for a conversation with Darcy Gruttadaro, director of the American Psychiatric Association Foundation’s Center for Workplace Mental Health. We’ll talk about how your workplace can become a leader in ending the stigma associated with mental illness, building awareness regarding the incidence of mental health conditions (at lea
