September 18th 2018: What's the Worst That Could Happen? With David Cieslak

David Cieslak aka Inspector Gadget shares his story. He grew up in a family of 6 kids where each of them had to pay their own way through college.. Now David enjoys the designation of being on the list of the top 100 most influential people in accounting according to Accounting Today. He speaks on technology regularly at events both in and out of the accounting industry. David says, "It's not just about solving the technical problems. It really is about the relationships." What is Inspector Gadget all about? Every year David looks at emerging technology to see what he think
