Data Security and Privacy with the Privacy Professor

New shows the first Saturday of each month at 8 AM Pacific

October 16th 2018: Answering Questions from Listeners for Cyber Security Awareness

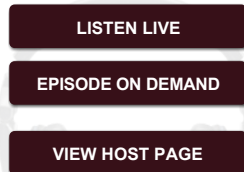

I've accumulated dozens of data security, cyber security and privacy questions from listeners and Tips readers that I've not yet had time to answer. They cover a very wide range of topics of interest to all folks throughout the world. E.g. E911. HIPAA breaches. Worst security business practices. Ring security system privacy. Keeping people from visually snooping on your tablet or phone. Phishing calls (with a real example recording). Credit reports. Virus Scanning. And much more! We will answer questions on these topics and more during this episode as part of Cyber Security Awareness Mo
