The Power of Natural Healing Monday at 11 AM Pacific October 15th 2018: Jenny Hrbacek, RN on her 5th Edition of Cancer Free!

After Jenny's breast cancer diagnosis in 2009, she did the treatments recommended by her oncologist: chemo, surgery, but the cancer kept recurring. That is when she started using her medical knowledge to research effective cancer diagnostics and treatments. She compiled a phenomenal source of information and help, and reversed her cancer completely. Today, she is a vibrant, energetic woman, dedicated to bringing this knowledge to a worldwide audience to spare millions of men and women the fear and uncertainty following a diagnosis of cancer. In addition, if you can reverse cancer, you cert

Featured Guest

Jenny Hrbacek, RN

Author Jenny Hrbacek's life changing journey began when she was diagnosed with breast cancer in 2009. Today, she has launched a national campaign to change the way that cancer is detected. She has appeared in Ty Bollinger's series The Truth About Cancer, and is a featured contributor to medical conferences and radio shows. Cancer Free! Are you SURE? is a result of several years of research into tests that are true early detection. Jenny details how these tests can detect cancer's development years before it is typically picked up by a mammogram, PSA count, or PET scan. She tells you where to get these tests, what they cost, how accurate they are. She gives you a roadmap for detecting can
