**October 22nd 2018: Biointegrity with Chris Searles**

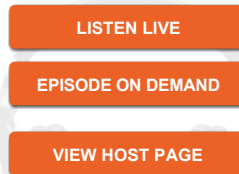

In this illuminating discussion with Chris Searles, accomplished musician turned founder of Biointegrity, a for-profit fundraising business to empower the most efficient means of protecting the earth's biosphere, we talk about an issue that conservation has strayed from: that to protect biodiversity and the ability for any and all life to survive on a habitable earth, we must protect the intact biosphere. Otherwise, we are just another planetary rock in the universe devoid of life. Biointegrity's mission is to help the world's most impactful, global environmental solutions succeed as fast as
