**Marlene Elizabeth**

Marlene Elizabeth sees life differently. When her 9-5 circle wondered why she didn't choose an easier path, she viewed her dream of being a stay at home and starting her own business as the easier path. Eventually, she started healing her unhealthy relationship to money so that her daughter could learn to see finances differently. The more she learned about this thing called money, the more she realized that seeing money differently is what helped her finally start unfolding her financial potential. Today, Marlene is a Certified Money Coach, Mama-preneur, Founder of MONEYWINGS™, bestselling author, and podcast host Let's Get Tender: Money Conversations that Matter. She equips women wit

**Olivia Parr-Rud**

Olivia is a global thought leader, data scientist, and award-winning and best-selling author. Her unique approach to business success draws on her passion for data science, holistic leadership, and personal growth through a blending of left and right brain perspectives. Her latest research unveils the relationship between loving behavior (i.e. compassion, connection, and caring) and long-term corporate profits. Her success with Data Mining Cookbook inspired her research in the areas the communication, collaboration, and leadership – highlighted in her second book, Business Intelligence Success Factors. In her 4th book, LOVE@WORK, The Essential Guide to a Life of Inspired Purpose, Olivia shar
