**November 5th 2018: Toxic with Neil Nathan**

Millions of people have sought medical care, and found that they have hit a wall with their doctor even though they feel very sick. There is an epidemic of tick born illnesses (Lyme Disease), mold exposure, chemicals and other toxins that are causing illness. Unfortunately, these illnesses are falling through the cracks in our health care system. Dr. Neil Nathan is discussing his book "Toxic", which is a easy to read, but thorough journey through these toxic illnesses.
