November 19th 2018: Dangers of EMF technology with Nicolas Pineault

In the last 20 years our exposure to technology has increased, with little thought to how it is effecting us. Nicolas Pineault is an investigative Health Journalist who found an overwhelming amount of independent scientific evidence linking electromagnetic fields (EMFs) from wireless technologies with increased risks of cancer, infertility, insomnia, and depression. His book "The Non-Tinfoil Guide to EMFs" teaches exactly how to reduce exposure to this brand new 21st-century pollution without going back to the Stone Age.

Featured Guest

Nicolas Pineault

Nicolas Pineault is an investigative health journalist, educator and advocate for safe technologies. In 2017, he authored The Non-Tinfoil Guide to EMFs — an unconventional book endorsed by top health authorities such as Dr. Mercola, and which tackles the very serious topic of electromagnetic pollution with humor and common sense.
