Good Grief with Cheryl Jones
Wednesday at 2 PM Pacific
November 21st 2018: Opus Peace

5 nurses who helped veterans at the end of their lives noticed something they came to call soul injury. A result of unspent grief, shame and guilt, it plagued the men. They decided to devote themselves to sharing the lessons about how to heal soul injury with people who were not veterans and who were not actively dying. Join us to talk with Deborah Grassman, one of the founders, who works to bring their work to everyone. She is also working to make January soul injury month.
