**Falling Through the Cracks: Feel alive and thrive**  
**Monday at 9 AM Pacific**  
**November 26th 2018: The Canadian Health Care System with Raissa Deber**

Joining me from Toronto, Raissa Deber is explaining the Canadian Health Care System. It is important to understand how we obtain health, and how it works behind the scenes. In her book "Treating Health Care: How the Canadian System Works and How It Could Work Better," she explains the Canadian Health Care System and what we need to do to assess it and make it easier to access.

#### Featured Guest

#### Raissa Deber

Raissa Deber, Ph.D. Professor, Institute of Health Policy, Management and Evaluation, Faculty of Medicine, University of Toronto, Toronto, Ontario. Raissa Deber, PhD (MIT) has lectured, mentored, published and consulted on health policy at local, provincial, national and international levels. She was selected as an Expert by the Health Evidence Network of Canada (EvidenceNetwork.ca). Professor Deber's current research centers on Canadian health policy. Projects, conducted with colleagues and students, include: implications of the distribution of health expenditures and public/private roles for financing and delivery of health services; the implications of different ways of financing primary he
