**December 04th 2018: We Are Not Alone ... SERIOUSLY!**

Did you know that a recent survey showed nearly half of Americans believe in aliens? However, less than 20% of them believe in alien abduction, and a few less than that actually claim to have seen a UFO. What do you think? Do you think we have been visited by aliens? For how long? Do you think our governments have been encountering these aliens and hiding it from us? Join me and author Frank Joseph, as we answer some questions about "Foo Fighters" and other strange encounters. Were there alien encounters in Vietnam? How about Afghanistan? Was an alien base on the moon discovered ev
