The buzz: "The budgets are opening up to HR and they're going digital with everything" (Laura Zifchak, PeopleDoc). It's the time of year for HR to reflect and move forward. From the employee experience to GDPR, HR has experienced its share of forced transformation in how it thinks and what it's responsible for. Yet, has anything really changed? Our panel will discuss the current and future uses of emerging technologies in HR, whether HR is any closer to earning a coveted seat at the table, and what 2018 can teach us for 2019. The experts speak. Art Mazor, Deloitte: "Be present in all things an
