January 10th 2019: Encore: Owning Bipolar Disorder - A Guide for Patients and Family

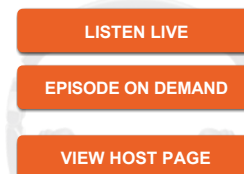

In this show Michael Pipich, MS, LMFT, therapist and national speaker on Bipolar Disorder, draws upon his new book, *Owning Bipolar: How Patients and Families Can take Control of Bipolar Disorder* to make owning and properly treating Bipolar Disorder a reality. Citing research and clinical examples, Michael Pipich reports that too many patients and their families are frightened, confused and misinformed about bipolar disorder. As such, he offers listeners important information starting with the fact that Bipolar Disorder is no one's fault. It is genetic. Michael discusses the difficulty with diag
