The Money Answers Show Monday at 12 Noon Pacific January 14th 2019: Can You Make More And Work Less?

Can you really work smarter not harder? Is it possible to turn \$10 into \$1000? What role does leveraging play in building wealth? Can the power of leveraging allow you to retire decades earlier than expected? How can you maximize your financial results? Host Jordan Goodman talks with financial investor, advisor and coach Todd Tressider about Tressider's newest book, 'the Leverage Equation: How To Work Less, Make More, and Cut 30 Years Off Of Your Retirement Plan'. Goodman and Tressider discuss why Tressider believes that leveraging is such a critical key to making money grow and why more people

Todd Tressider

Todd Tressider graduated from the University of California at Davis with a B.A. in economics and a passion for creating successful businesses. A serial entrepreneur since childhood, Todd went on to build his own wealth as a hedge fund investment manager before "retiring" at 35. He grew his net worth from less than zero at 23 to the point of financial independence just 12 years later. Todd has maintained his wealth by remaining an active investor and utilizing statistical and mathematical risk management systems for investing. Through his website at Financial Mentor.com, he teaches advanced investing and advanced retirement planning principles. Take the next step beyond conventional finan
