Data Security and Privacy with the Privacy Professor

New shows the first Saturday of each month at 8 AM Pacific

April 2nd 2019: Continuing the Cannabis Security and Privacy Risks Conversation

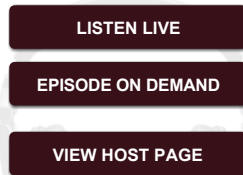

This is the third in a series of shows about personal data privacy and security risks involved with cannabis sales. We discuss wide-ranging issues involved with cannabis dispensaries and online cannabis sales. We also discuss some of the ways in which smartphones, apps, and other tech can bring risks to those using cannabis. • Where is cannabis legal throughout the world? • How are cannabis laws creating stigmas for those using medical cannabis? • How are the wide number of personal data items collected from cannabis customers and patients put at risk? • Is 90% of stolen cannabis patient
