Leadership Beyond Borders

Tuesday at 3 PM Pacific

August 20th 2019: Encore: Helping women owned businesses in Africa succeed

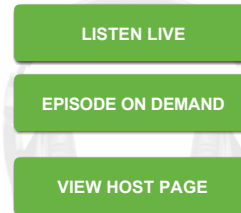

A Supplier Gender Diversity program is a proactive business program which encourages the use of gender neutral supply chain selection and promotes women owned businesses. This is important because women-owned business enterprises are among the fastest-growing segments in the world-wide economy. But one of the most interesting observations about the status and progress of women business ownership is that it is not always correlated to the wealth and level of development of an economy, there is a lot more to it than that and many Africa Countries are leading the way, according to the MasterC
