The Soul of Enterprise: Business in the Knowledge Economy

Friday at 1 PM Pacific

September 06th 2019: Third Interview with George Gilder

We are honored to have the opportunity to interview George Gilder for a third time. Writer, economist, technology advocate, and co-founder of the Discovery Institute, Georges latest book is Life After Google: The Fall of Big Data and the Rise of the Blockchain Economy. His 1981 international bestseller, Wealth and Poverty, advanced a practical and moral case for supply-side economics and capitalism during the early months of the Reagan Administration and made him President Reagans most quoted living author. In 2013 he published Knowledge and Power: The Information Theory of Capitalism and How
