September 16th 2019: Leading Clarity: The Breakthrough Strategy to Unleash People, Profit, and Performance

Learn to think inside the box and discover why you should! Today's business environment is more complex than at any time in history with greater ambiguity, chaos, and uncertainty. This tangled mass of noise effectively handicaps every facet of business. Clarity is the dynamic force that aligns and connects your most critical business principles. Leading Clarity blasts you beyond any preconceived limitations and with razor focus sets new direction, expectation, and pathways for success. Leaders today often overlook clarity as a critical piece of their solution set. Organizational clarity r
