September 12th 2019: Encore: What Happens When Your Child's First Sexual Experience is a Virtue

We are entering a time of the greatest societal experiment ever. Soon the entire world will be connected by the internet and yet every day parents give phones and tablets to very young kids, who access apps, live-streaming and video game chat rooms BEFORE they have even had the "SEX" talk with them. And now, most of our kids' first sexual experience will be with someone over the internet (someone they have never met in person) or will be based on animation or virtual pornography. It will most likely be sex without love and outside the context of relationship and commitment. It is also complica
