Biz Help For You
Tuesday at 2 PM Pacific
October 08th 2019: Maintaining Working Capital in a Business

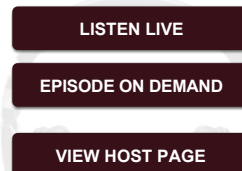

Are you a business owner who has had trouble having enough cash available to operate? Do you need to look at available resources to have an infusion of capital? Listen to learn how your business can improve and maintain its cash flow and working capital to generate and increase sales, provide a detailed diagnostic profile of your company's financial condition and what strategies to implement for securing new financing. By listening, you'll learn various examples and how a CFO consultant can become a strategic business partner without owning any equity in a company. Problems discussed will incl
