with Jay Taylor

Turning Hard Times into Good Times Tuesday at 12 Noon Pacific

October 08th 2019: Bob Moriarty Talks Gold, Irving, Novo, Maple Gold and More

Bob Moriarty, Chris Taylor and Michael Oliver return. Brilliant! Outspoken! Colorful! Eccentric! Controversial! Those words describe Bob Moriarty of 321Gold. Bob sees the American Empire's expansionism leading to the next global financial crisis and America's military industrial complex pushing the world toward world war as America competes against China's expanding influence financed via trade surpluses. The impact of a more dominant China on the energy markets, the dollar, and gold will be discussed along with several of Bob's favorite gold stocks, including Novo Resources and Irving Resourc

Bob Moriarty

Robert Moriarty was born in New York in 1946. He began training as a military pilot in 1965 and became the youngest Naval Aviator during the Vietnam War in 1966. With two years in Vietnam and some 832 missions in combat, he left the Marine Corps in 1970. He worked in computers for a few years before beginning a 2nd career as a ferry pilot delivering small airplanes all over the world. He made over 240 ocean crossings mostly in single engine airplanes. He holds 14 international aviation records. Bob and Barb Moriarty brought 321gold.com to the Internet in 2012. They later added 321energy.com to cover oil, natural gas, gasoline, coal, solar, wind and nuclear energy. Both sites feature articles,
