October 8th 2019: Full Steam Ahead: Finance and Planning Together At Last

The buzz: "There's no question over the last year this new wave of technologies has had an impact on CFO decision making ..." (Sandy Cockrell, Deloitte). Collaborative Enterprise Planning: myth or reality? Cloud-based planning systems have made it easier to connect and align plans from all departments and business units across your organization. But questions loom large about how deep and detailed your Finance Office's plans should go, given the shift towards more ERP-centric planning solutions with more granularity. How should Finance lead and direct Zero-Based Budgeting and Driver-Based Plann
