November 19th 2019: The Power of Purpose in Creating a High-Performance Business

Leaders hold a great responsibility in achieving business goals, managing budgets, innovating, creating customer value, and preparing for the future. And all need to be accomplished with limited time and resources, which is not an easy task. The secret to achieving these goals is to develop foundational keys to building a high-performance culture. These keys include: creating an inspiring purpose that can be shared by all, developing a clear strategic plan for success, and by leading team members to high achievement.
