December 23rd 2019: Encore Leading Business Beyond Profit: A Practical Guide to Leading a Business to Profit and Significance

Poor and ineffective leadership is evident in all spheres of life, especially in business. A possible reason for the current leadership crisis is the application of ineffective and self-serving leadership practices that only aim to achieve selfish and short-term objectives at the detriment and longevity of people, business, society, as well as the environment. Listen to a more effective and proven leadership approach to sustain people, business, society, and the environment, namely servant leadership. We'll discuss the dimensions and functions of a servant leader and address a refreshing book
