**February 21st 2020: The Kinetic Enterprise: Unlocking the
True Potential of Enterprise Transformations**

The buzz: "Digital transformation is a fundamental reality for businesses today. Organizations of all sizes realize that to delay digital transformation further is to risk obsolescence" [www.cgsinc.com/blog/19-quotes-digital-transformation-c-suite-executives]. Is your transformation at risk of falling short? Maximizing value from new technologies requires an evolutionary mindset. If you're not there yet, you might not be seeing the gains you expect. We'll ask Paul Khanna and Gautam Mylavarapu at Deloitte what it takes for you to strengthen the links between your customer, employee, extended wo
