#### Kevin Wagner

For many years Kevin has managed his own Non-Hodgkin's lymphoma through natural healing practices, combining whole-food nutrition with the potency of cannabis-based medicine into a formidable cancer-fighting protocol. His years of personal research, and a formal education in holistic nutrition, has made him a go-to for hundreds of clients needing guidance with their own journey of natural healing, and in navigating the mystifying world of Cannabis and it's potential to treat health problems.
