### Task Force 7 Cyber Security Radio Monday at 5 PM Pacific February 10th 2020: Ep. 121: What Went Down With The Iowa Caucus App

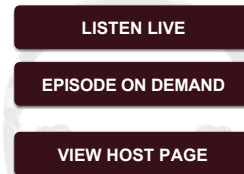

CNBC Cyber Security Reporter Kate Fazzini appears on Episode #121 of Task Force 7 Radio to break down what actually went down with the mobile app used at the recent Iowa DNC Caucus. The technical problems with the app, the lax election security that was discovered following the vote, and the chaos that has ensued has yet again raised concerns about the stability and security of the 2020 Presidential Election. In the second segment Fazzini also reviews the recent Senate Report on Election Security, what's new in the report, and whether or not there will be any action taken from the reports
