Occupy Health: *What's Real and what is not* with Susan Downs, MD

Occupy Health
Friday at 11 AM Pacific
February 14th 2020: Beyond Mars and Venus
with John Gray

In our world with its increasing pace and stressors, relationship dynamics have changed. The changing gender roles both men and women require a new kind of emotional support that embraces greater authenticity, intimacy and personal expression. We now have the opportunity to be ourselves as we never could before. We can embrace characteristics beyond those of the traditional gender roles. This allows for relationships with a more profound intimacy than ever before. While our roles are changing, our biology remains very different. Men and women are different. We react to the change
