#### Carla McCloskey

Carla McCloskey has been the assistant director of such famous films as: The Goodbye Girl, California Suite, Death Becomes Her, Point of No Return, Point Break, Hook and Jurassic Park. Carla, wife of famous actor and Renaissance Man, Leigh J. McCloskey, penned her first book, Grandma Told Me So and was interviewed on Making Life Brighter for this release. Now returning with her second and perhaps most critical writing to date, Living in An Alien Body, Carla chronicles the stroke that changed her life, and a rare view into her recovery process along with tips for everyone. Carla and Leigh hold healing and thought-provoking private seminars at Olander in Malibu, California.
