Opines on How We Can Secure Critical
Infrastructure

As cyber threats continue to get more sophisticated around the globe, Senior Managing Director and Head of Cyber Security for the Americas at FTI Consulting, Ms. Jordan Rae Kelly appears on Episode #122 of TF7 Radio to talk about what the U.S. needs to do to secure critical infrastructure and protect our citizens privacy. Ms. Kelly also spoke about election security, what she learned from her experiences with the 2016 elections, and what we need to do to make sure the 2020 elections are stable and free from tampering. From the enterprise perspective, Ms. Kelly opined on how organiza
