#### Tom Paladino

Tom Paladino began research with scalar energy, aka the Creative Strength, during his under-graduate years. He was inspired by various scientists, especially Nikola Tesla, as to the existence of an energy that was not of the electromagnetic spectrum. With this inspiration, he pursued a course of independent study in order to better understand and subsequently harness scalar energy. He has developed a remote treatment process whereby he is able to administer the scalar energy reverse-phase angle harmonic of a pathogen, thereby causing that agent of infection to disassemble or fall apart. Scalar energy operates at the quantum level and is capable of disassembling all types of pathogens thus e
