Turning Hard Times into Good Times Tuesday at 12 Noon Pacific

March 24th 2020: Will Financial Cancer Plus COVID-19 End Fiat Currencies?

Guests include Alasdair Macleod, John Rubino and Ivan Bebek. Elites are scrambling frantically to keep their fraudulent pickpocket-fiat-monetary scheme alive as COVID-19 craters markets & the global economy. Last week Charles Hugh Smith suggested that with the real economy hit directly the elite must helicopter untold trillions of dollars directly to all 330 million Americans or threat revolution. Alasdair suggests whatever the establishment does, its dollar-based global fiat monetary system is doomed to fail given the cancerous growth of debt created in obedience to the faith-based Keynesian
