March 26th 2020: Understanding the Gender Creative Child: What Parents and Professionals Need to Know

In this show, Dr. Diane Ehrensaft, expert in gender research and clinical work, offers parents and professionals an insider understanding of Gender Expansive Children -The little boy who insists he is a girl, the teen who identifies as non-binary – both male and female. The author of The Gender Creative Child and Gender Born, Gender Made, Dr. Ehrensaft clarifies the difference between gender and assigned sex at birth and explains how threads of nature, nurture and culture weave for each of us a Gender Web. Using examples, she describes a Gender Affirmative Model in which she maintains that chi

Featured Guest

Diane Ehrensaft

Diane Ehrensaft, Ph.D. is a developmental and clinical psychologist, associate professor of Pediatrics at University of California San Francisco, and Director of Mental Health of the Child and Adolescent Gender Center, UCSF Benioff Children's Hospital. She is co-editor with Dr. Colt Keo-Meier of The Gender Affirmative Model, and author of The Gender Creative Child and Gender Born, Gender Made. She specializes in research, clinical work, training, and consultation related to gender expansive children, and publishes and lectures both nationally and internationally on this topic. Dr. Ehrensaft is presently co-investigator in a four-site NIH grant studying the effects of puberty blockers an
