March 25th 2020: Covid 19 precautions with Jane Lawson

With the current Covid 19 Pandemic, it appears that many are grasping at straws and taking anything and everything they read or hear, Literally!! There are many "snake oils" and "Scams" from companies that want to profit from people's fears. Jane Lawson and I will be talking of some easy and beneficial ways to help you take proper preventative measures in this most unsettling time.

#### Jane Lawson

Jane Lawson is the Principle of Natural Approach School & Therapies. She has been a clinical Aromatherapist for almost 30 years and a teacher for over 20 years. Over the years through Janes clinic, she quickly realized that the general public was confused as to which oils would be best for what ailed them. The general public was not well informed when it came to the contraindications and safe usage of individual oils. This led her to write a workbook "The Natural Approach to Essential Oils"
