**Jean Kuhn**

Jean Kuhn, Speaker, Author and Serial Entrepreneur, began her career on April 29, 1985, when the nurse put that first baby in her arms, and she knew she was not going back to a J-O-B she hated. In 2002, Jean bought her first of two bankrupt businesses and turned it around in 12 months adding \$100,000 to the bottom line. In 2006, she bought her second bankrupt business, turning it around in just under 12 months adding \$100,000 to it's bottom line. Jean increased her cash flow fast without a mailing list or a marketing budget. If she can do it so can you. Jean now helps business owners strategically turn around their stagnant businesses and increase their cash flow fast!
