March 25th 2020: The Techsplainer Series: Virtual Platform Trends

This week on the Tech Cat Show we continue our monthly series with Jeanette Depatie, The Techsplainer. Jeanette is a long time technology writer and consultant helping Fortune 500 companies move through a variety of challenges with new technology. This month, she'll share with us the top tech trends around leveraging virtual technologies for this difficult time when the entire country is working from home. There's a variety of tech platforms out there and challenges for many folks trying to stay connected and get their work done. Jeanette will dig into the solutions that are out there and
