Breaking Banks Fintech Thursday at 12 Noon Pacific April 03rd 2020: Sci-Fi Legends talk COVID-19

On this week's show, we invited acclaimed science fiction authors David Brin, Kevin J. Anderson, and Ramez Naam on the show to talk about how the #COVID19 crisis might affect humanity on a long term basis, looking out short-term and then 50 years from now. These authors have written science fiction with topics like evolutionary adaptation, pandemics, nanobot infections and alien viruses, so they're well placed to think about societal impact. This is one you won't want to miss!
