What is my passion? What is my purpose? How can I express my true self? These are questions contemplated by many who feel that something is missing in their lives. At times, our earthly existence can feel mundane as we seemingly go through the motions of being human and function on auto-pilot. Guest Shelly Wilson, Intuitive Medium and author of "Embracing the Magic Within", invites us to consciously attune body, mind and spirit to the expression of our true self. She will show us how to activate, embody and embrace all of our magical Divine being through an intentional and conscious practice
