June 18th 2020: Taking life and love into your own hands.

"Annie gets it done" is Ann Cutbill Lenane's slogan for everything that she does in life! Listen to how this #1 Manhattan Broker, Mom of 2 grown daughters decided to take love life into her own hands. Ann created a video last summer called "A Man for Ann" to run in every taxi cab in NY! She figured that if it worked for her business, then why not for love. Does Ann find her man? And how do you find love after 55 during quarantine? This interview took place at the beginning of March, and the follow up takes place in May. Lots of laughter, gratitude and some tears.
