Leadership Beyond Borders
Tuesday at 3 PM Pacific
June 30th 2020: **Leading with Intelligent Disobedience**

Tune in
Tuesday at 3 PM Pacific Time on
VoiceAmerica Business Channel

Most people do not question rules because they are designed to protect the status quo and create a level playing field, but sometimes we need to bend them a little if in order to get a desired result. In the right context, this can be ok because rules are not static, they evolve and are based on the information we have at a certain time. Not to be confused with laws, which are in place to protect us, rules are very often open to interpretation, rules can be changed. Sometimes we need flexibility and we need to "think out of the box". Our guest has studied the subject of rules and process
