

Preparing for the Unexpected
Thursday at 10 AM Pacific
June 10th 2021: How to Prepare When You Are Not Expecting

What does a Business Continuity Management Systems (BCMS) entail? Join me as I talk with Business Continuity expert Jacopo Capparelli, as he provides insight on what a BCMS program entails. Jacopo will provide some insights on how the 'Analysis' phase of the BCMS is often mismanaged and how it can be improved using technology and Artificial Intelligence (AI). We'll also touch on the key Contingency Resources that all professionals, programs, and plans should address during adverse situations. Jacopo talks about the BCMS program with clear and concise language and shouldn't be missed by a

Featured Guest

Jacopo Capparelli

Jacopo Michael Capparelli is Consulting Supervisor at PANTA RAY – Italy's leading business continuity services provider – and has acquired significant experience in the fields of org. resilience, crisis mgmt., and business continuity. At the firm since 2018, he has worked with many different kinds of organizations, both public and private. His focus for the past years has been on the banking, financial services, oil and gas, retail and distribution, and insurance markets. In his capacity as an operational lead, he has designed and delivered business continuity strategies and solutions to clients, marrying methodological rigor with pragmatic flexibility. He has a humanities background, gradu
