February 23rd 2021: Encore: After the Pandemic: What's Next Summit

With the current pandemic of the COVID-19 throughout the world, the After the Pandemic What's Next Summit will provide an opportunity to unite as a human family, serve those in need, and answer some of the broader health issues and questions that are shared around the US and the globe. Dr. Cherilyn Lee, Founder of Nu Wellness Health Care Center, and a Global Media Personality and Dr. Ronald Wyatt, Internationally known Patient Safety and Health Equity Expert and Co-Chair for the Healthcare Improvement Equity Advisory Group will share their views and perspectives on how people can better hand
