With all the stresses of COVID restricting our daily lives, are you finding it difficult getting into the mood for love and romance? It might take some creativity and innovation, but it is important to make the effort to find passion and intimacy. Your relationship will thank you for it. Join us with Sexologist and Sex Educator, Dr Ava Cadell, from the Loveology University, as we talk about love in the time of COVID. Relationships everywhere are at the brink of success or failure depending how we deal with intimacy and love during times of stress and strain. Find out how to bring out the best
