Earth Day is April 22 and there is so much that we can do to combat climate change. Cynthia Brian provides simple tips that you can implement today to save our planet. More urban households are raising chickens for the fresh eggs. It's the time of year when baby chicks are available. Cynthia Brian has raised chickens since the age of 8 and was a California champion at exhibitions. She'll give you some basic tips on how to buy, house, and manage chickens. You'll love it! Can you imagine how wonderful our relationships would be if we allowed ourselves to bark, wiggle, and wag with people
