**April 20th 2021: Rising 'n Shining for a Year! The Anniversary Show.**

We've been hosting "Rise 'n Shine!" for a full year now! And what an adventure it's been for us, both on the air and in our personal lives. In this episode, we interview each other about who we were when this show launched, who we've become, and who look forward to being moving forward. You'll hear about Lori Anne's re-discovered gift and how she's now using it to serve others, what it was like for Mark to meet the boy who'd bullied him in elementary school after the decades that have passed, and so much more.
