June 1st 2021: Schools Sell Out Kids To Critical Race Theory & Twisted Sex Ed!

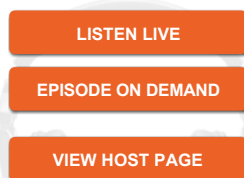

While we were sleeping... progressives, socialists, marxists, like BLM and others have been hijacking our kids' minds with tales of Critical Race Theory and Twisted Sex Ed! One good thing about Covid19 causing school closures and remote learning is that parents are finally seeing and waking up to the destructive lessons their kids have been getting in school! We're discovering that schools have been allowing these groups - all united in the single goal of destroying the traditional American family and America - to teach their curricula because the groups are paying them! But, even though pare

Featured Guests

April Few

April Few is Communications Director for the national, non-profit education policy organization U.S. Parents Involved in Education (USPIE), whose mission is to return education to its proper local roots and restore parental authority over their children's education by helping parents and local communities to escape federal and other national influences. April often represents USPIE as a featured guest on national and local talk radio and television shows around the country, and she plays the protagonist in USPIE's Truth and Lies in American Education documentary. She has been married for 6 years and has two daughters; one whom she homeschools for kindergarten and the other just celebrated he

Sandy Torosian

Sandy Torosian was born and raised in California. She was an instructional aid for 14 years in special education. Her fight for children in public education began in 2013 after watching "Building the Machine", and in 2014 she founded Parents Against Common Core. As an active member of Fresno County and City Republican Women Federated, she has spoken out against Common Core and Comprehensive Sexuality Education, both locally and statewide. She has served on the Leadership Team of USPIE for almost seven years.
