Troy speaks with Tony about his 3 decade career starting with singing with groups to going solo to now being one of the most sot after DJ/Producers. Troy will speak with Tony about the transitions he had to make and how the industry accepted or rejected them. Troy will discuss how it was working with the most influential people in the industry, how he feels about things today and how covid has affected his touring and travels. Join us for this one as you wont want to miss it.

Featured Guest

Tony Moran

The thunderous beats of New Yorker Tony Moran have resonated throughout clubs and arenas around the world, and have dominated the Billboard dance charts for decades. When artists like Mariah Carey, Whitney Houston, Madonna, Beyonce', Britney Spears, Rihanna, Mary J Blige, Janet Jackson and Jennifer Lopez want to tear up the dance floor, they call upon the top-ranked DJ and Grammy-nominated producer and remixer for The Moran Sound --- hard hitting tribal house anthems infused with the latest cutting edge sounds in electronica. Moran, however, is more than a man that works the DJ booth and studio. An accomplished singer and songwriter, Moran has released a number of independent singles and CDs
